

Scholarship Programme: Application Form

Dear applicant,

Thank you for expressing an interest in the **ARTEMIS Scholarship Programme**. The programme aims to support students from across Greece wishing to pursue Mechanical Engineering undergraduate studies (MEng) at Imperial College, London.

To be considered for the ARTEMIS Scholarship Programme, please fill in the following form. The

selection process will prioritise academic excellence and will place an emphasis on socioeconomic factors. Additional supporting documents and an interview may be requested during the evaluation process. Only shortlisted candidates will be contacted.

Important: Candidates must

follow [Imperial College's application process](#) separately from their application to the ARTEMIS Scholarship Programme to ensure their acceptance into the College's Mechanical Engineering course. **Any scholarship offers made by ARTEMIS will be conditional to candidates being accepted by the College.**
